Prince George, BC, V2N 1V6

I would like to clarify in this letter that we intend to open a business at the address mentioned above. It's an industrial area. Stores where we can provide people who work in that region with ready-to-eat food and beverages are necessary. People are happy to hear about it because it eliminates the need for them to make trips long for food and drinks.

Signatures and contact numbers are given to the people who support our business.
