**Re: Spruce City Wildlife Association's Community Gaming Grant Application**

To Whom It May Concern:

On behalf of the City of Prince George, I'm writing this letter in support of the Spruce City Wildlife Association's Community Gaming Grant Application.

Spruce City Wildlife Association (SCWA) is the local conservation organization for Prince George, and their mandate is to ensure the sound long term management of BC's fish, wildlife, park, and outdoor recreational resources in the best interests of all British Columbians, and its members work hard to uphold that commitment. One way they uphold their mandate is by continuously growing and improving its community activities. SCWA's activities have proven to provide economic benefits, chances for community involvement, facility upgrades and staff, and conservation education.

The City of Prince George is proud to provide its support to the Spruce City Wildlife Association. We hope that their funding application will receive favorable consideration.

Sincerely,

Mayor Simon Yu  
City of Prince George
