Subject: Petition to Oppose the Relocation of the Bus Stand from Foster/Davis Roads on to Ospika Blvd.

Dear City of Prince George,

We are writing to express the concerns of Society and fellow residents of College Heights regarding the upcoming change and relocation of the Bus Stand from Foster/Davis Roads on to Ospika Blvd within our community. We believe that the Relocation of the Bus Stand will result in a series of negative consequences, revolving around Environmental, Accessibility, and Safety concerns.

As you are aware, this Bus Stand is heavily used and subscribed to by many residents of the area, especially for Seniors with mobility impairments that use canes and walkers to get along. It is convenient and is also right by the Sikh Temple, where congregants, also particularly Seniors, use that stop to transport themselves to and from the Temple as well. This relocation will almost certainly result in negative environmental consequences, as it will become increasingly inconvenient for residents and will result in the increased use of individual motor vehicles on the road, the opposite goal of Public transportation. The Ospika location has been notorious and has resulted in fatalities in the past among pedestrians. The fear is that the relocation will result in an increased risk to the Public, should they choose and are able to go to the new location.

By signing this attached petition, we, the undersigned Guru Nanak Darbar Sikh Society, with the residents of College Heights respectfully request the reversal of the decision to relocate the Bus stand.

We kindly request the opportunity to meet with you to discuss this matter further and share additional insights from our community.

Thank you for your attention to this pressing matter. We look forward to your positive response and the potential improvement in the safety and transportation mechanisms of our neighborhood.

Sincerely,

Guru Nanak Darbar Sikh Society

GURU NANAK DARBAR  
SIKH SOCIETY (P.G.)
