

Heritage Register Nomination Form

[Sections of blue text are additions or changes from the original form]

The City of Prince George has an active Heritage Commission. The Commission reports to City Council and the purpose of the Commission is to protect, conserve and interpret the heritage resources within the City by supporting, encouraging, and facilitating their proper conservation, maintenance and restoration. The City of Prince George maintains a Heritage Register, which is an official listing of properties and resources with heritage value.

Do you know of a building, site, cultural landscape, view or other heritage resource that you believe should be included on the City's Heritage Register?

If so, please fill out this form, attach supporting historical information, and send it to the following address:

Cheryl Livingstone-Leman
Community Services Department
#2001-1300 1st Ave.
Prince George, B.C. V2L 2Y3
250-561-7640

All nomination will be evaluated by the Heritage Commission. Those nominations which satisfy the heritage resource evaluation criteria will be recommended to City Council for addition to the Heritage Register.

General Information

Date	
Your name	
Mailing address	
Phone number	
Email	
Are you the owner of the nominated resource?	
Can we contact you for further information?	

Heritage Resource Information

Name of the nominated heritage resource

--	--

Historical Significance

What is the date or period when this resource was built or originated?	
Does this heritage resource represent broad patterns or themes of local history? [Refer to the attached Thematic Framework document]	

Heritage Values of the Nominated Resource

Values are those meanings and qualities that individuals or groups of people bestow on heritage; they are what heritage conservation and management aim to protect and enhance for the future.

<i>Architectural</i> (ex. name of the architect/designer, rare or groundbreaking style, materials or construction, notable design features, original form)	
<i>Aesthetic</i> (ex. the sensory qualities of a historic place - seeing, hearing, touching, smelling and tasting)	
<i>Historical</i> capacity to evoke a way of life or a memory of the past (ex. associations with people, events, changes, social or political movements)	
<i>Scientific</i> or the capacity of a historic place to provide evidence that can advance our understanding and appreciation of a culture (ex. machinery,	

technological inventions, agricultural systems)	
<i>Cultural /Social</i> meanings attached to a place by a community in the present time (ex. community memory, shared experience, sense of belonging)	
<i>Spiritual</i> places associated with sacred traditions, ceremonial practices or rituals of a community/group of people (ex. religious places, ceremony, ancestral connections, inspiration)	

Context

Physical setting of the heritage (ex. urban downtown, wooded riverside, suburban neighbourhood, rural outskirts)	
Contribution of the context to the heritage resource (ex. proximity to other heritage, value of natural setting, local community interaction)	
Existing pressures on or threats to the heritage (ex. vandalism, neglect, structural changes or demolition, land erosion, inappropriate use)	

Other Information

If you have any other information or stories about the heritage resource please provide them here.
