INTEGRITY RECOVERY SOCIETY
KEEP THE FIGHT ALIVE

The Integrity Recovery Society is a not-for profit organization supporting individuals with substance abuse issues. We support individuals under the complete abstinence from all mood-altering substances model.

Our goal is to provide a safe, clean, structured environment, in which clients can heal from the ravages of addiction, supporting them to make better live choices which eventually lead to them to relocating back to their community and loved ones, becoming productive members of society.

Would you like Bi/monthly updates on the success of the society as well as client success and future planning Yes No

Email address _____

I have spoken with a representative and I am aware of the Integrity Recovery Society that is located at 7973 Rochester Crescent. I am also aware they are supporting individuals with substance abuse issues. I have been provided with information, surrounding the society, their operations and the clients they seek to support. Hearing this information and what the Integrity Recovery Society represents, I am in support of operations commencing in the very near future.
