Dear Mayor and Council:

The Recycling and Environmental Action Planning Society (REAPS) wishes to request a letter of support to accompany our grant application to Northern Development Community Places. Our application is in the amount of \$30,000 for a capital grant towards the construction of our education centre in the Growing Knowledge Community Compost Garden. This building will provide a place to meet, hold free workshops and events out of the elements to the residents of RDFFG.

Northern Development recommends a resolution stating the following:

THAT, the City of Prince George supports the application to Northern Development Initiative Trust from the Recycling and Environmental Action Planning Society (REAPS) for the Education Centre.

If you have any questions regarding our application, please feel free to contact me at 250-561-7327. Thank you for your time.

Sincerely,

Terri McClymont, Executive Director
