RZ100791 - Bylaw 9515 - (7277 Bear Road) - Meeting Date: December 2, 2024

### Comments

I do not agree with the proposed land classification changes on Bear Rd. Why are we cutting the trees down in one of the only green spaces that we have left in this community? The added traffic would be unwanted, as it is beside a school. That school is also apparently full, so where will kids go to school? There is tons of land around this area that does not require the removal of green space to build on. There is a giant lot behind Morgan Ridge Estates on Aldeen that is already cleared! Why not build the proposed homes there? There are also quite a few animals in our neighborhood, and by developing that land we could be removing their homes pushing them further into our neighborhoods.
