Subject: proposed apartment in College hts

This email originated from outside the organization. Do not click on links or open attachments unless you recognize and trust the sender and know the content is safe.

Good morning.

My name is Louise Holmes and I live on St. Anthony Cres.

Please do not allow another apartment block to be built on the currently closed, beautiful green space of "Marleau rd". The traffic in College Hts is already at maximum, the new apartments behind Walmart are enough, the traffic at that 3 way stop is continuous, and along Southrige Ave (besides having the school there). Plus, College Hts Secondary is full, and the elementary schools are close too. Where will all the people go?

The traffic, noise, volume of people will have a terrible impact on all of us in the area. The infrastructure cannot manage it and our property values will go down. Not right.

Please deny this application. This greenspace needs to be PROTECTED and you have the power to do that.

thank you
Louise Holmes
