For which application would you like to provide comments? (One form per application)

RZ100706 - Bylaw 9408 (6700 Southridge Avenue) - Meeting Date: June 12, 2023

Comments

I strongly oppose the passing of Bylaw 9408 (6700 Southridge Avenue).

Before there is further development in this area the building of a new school has to be addressed. The current elementary school is bursting at the seams and does not have the room for new students. Traffic at Southridge and St Lawrence would have to be addressed

Also further development in this area, will again bring more traffic into the area, which is also congested at the best of times, especially around the shopping plaza.

Also the impact on the wildlife in the area. College Heights is being robbed of green space which is a reason people originally moved into the area.
