For which application would you like to provide comments? (One form per application)

RZ100706 - Bylaw 9408 (6700 Southridge Avenue) - Meeting Date: June 12, 2023

Comments

I feel the development of the green space between Southridge and O'Grady to be very distressing as it is such a well used corridor for walking, dog walking, and wildlife. There are already three new apartment complexes in the immediate vicinity. Another building will cause traffic and congestion issues as well as the aforementioned. Please reconsider the application for developing this area
