#### Comments

Regarding the re-zoning of O'Grady, while the city has stated that it won't affect those of us who live in the residential park on O'Grady, it's very concerning that these changes are coming about in a hushed way. The Dioceses said that they just learned about this. I want 100% reassurance that this rezoning isn't going to affect those of us who live here, as many can't afford to move the trailers to a different location.
