My concerns are-Traffic congestion already on O'Grady

- Will there be a Tree Barrier between the new complex and the Trailer Park to maintain the privacy of the existing residents of the Trailer Park, as one document says that the new complex will be 4 stories and another one says 6 stories
- I believe that the area through the Trailer park and surrounding area is a migration trail for wildlife
- Will the rezoning result in long term residents being relocated , will this impact the zoning of the trailer park that is already zoned RM9 to an RM6 which is Mid rise Residential
