This is a no for me and my family. Terrible area, traffic already steady and busy along O'Grady. And let's leave some green space for once in this city ! How are we supposed to coexist with the beautiful wildlife this town is home to, when the city continues to cut down trees and ruin green spaces, only to develop structures that the average working person cannot afford to buy, in this outrageous economy. This is completely unnecessary, I hope others speak up against this and the people win for once.
