Dear Members of City Council of Prince George:
Zoning Bylaw of 6100 O'Grady Road and Stringer Crescent

From:
Ken Hesketh
[Redacted]-6100 O'Grady

1. First question:

Is there going to be a green belt on the north side of the mobile park? If so, then how many feet will this be?

2. Second question:

How many condos are going to be built?
How high will the condos be in terms of stories?
(Two, four, six stories high)

3. Third question:

What about the serious concerns of the traffic flow
on O'Grady and Domano Blvd?

4. Fourth question:

Isn't there enough condos being built in this area?

5. Fifth question:

I would prefer not to see a high rise condo with up to
six stories high with a parking lot ten feet from the
back of my mobile home.

Thanks in advance for your concerns.

Regards,
Ken Hesketh
