For which application would you like to provide comments? (One form per application)

RZ100707 - Bylaw 9409 (6100 O'Grady Road and 5958 Stringer Crescent) - Meeting Date: June 12, 2023

Comments

Firstly, I am against any rezoning in the College Heights Residential Park. Rezoning or selling the land in the Residential Park would mean those who live in this area could potentially lose their homes and everything they invested for a life time. We are a community in this Mobile Home Park that care about each other and our properties. We own our properties here and any renting is discouraged, which means it is more complicated for us to relocate. My understanding for this upcoming rezoning meeting involves parcels of land surrounding our Mobile Park. I am against this rezoning as the intention will result in overpopulation of an area that is already overpopulated. It means we will have 6 story buildings and busy roads running through our back yards. I have huge concerns how this area can accommodate the increase in traffic, population, noise and needed seats in the school system. Many families in this Mobile Park have small children which I see at risk by both increased traffic and increased population. Please deny the current rezoning requests or at least decrease the number of units per hectare. Again, in our Mobile Park, we OWN our properties and do not rent, so please consider it is difficult for us to relocate. Thank you.
