When rezoning the property at 6100 OGrady to RM6 MULTIFAMILY DEVELOPMENT what does that mean to the manufactured home park zoning currently in place .I do live on the property at 6100 O'Grady by choice, and find it suits our lifestyle perfectly ,My concern is that, with the what appears to be very loose wording this park may be in jeopardy in the future , is the next step of this process that the property gets subdivided if some clarity on this matter could be provided to the residents.
