

We are writing to you today to request a Letter of Support to the Honorable Mike Farnworth - the Minister of Transportation and Transit, the Honorable David Eby - Premier, the Honorable Brenda Bailey - Minister of Finance, and other relevant Ministers that you feel need to understand the importance of the rebuilding of the Quesnel-Hixon Alternate Route to and from Quesnel and Prince George as it affects you and your organization. The Quesnel-Hixon Road is very important for many reasons, the least of which is as an Alternate Route to and from the North when the main route, Highway 97 is shut down for various reasons.

We are attaching a list of relevant Ministers and their Ministries emails that you may find useful to address this issue to.
