# About Saint Vincent de Paul Society

In the early 1980s, a group of Prince George residents saw the need to provide a meal to people living in the downtown rooming houses and to those who were homeless.

From this initial work of providing meals on the streets came the first conference of St. Vincent de Paul society of Prince George. we are now pleased to help roughly 100 people at each meal, provide hundreds of hampers each month, and help to clothe and provide for those who need items for themselves and their homes.

# Thrift Store Clothing, Furniture and Stuff

St. Vincent de Paul Thrift Store is known for their charitable work, and gave away **\$82,133.69** worth of clothes, furniture, and other goods in **2024**.
