Letter of Support

Dear Neighbours,

We hope this letter finds you well. We are writing to inform you about an application we have submitted for a Developmental Variance Permit (VP100701) for our property located at 6531 Olympia Place.

The purpose of this permit is to allow for the construction of a covered RV parking structure in our backyard. We understand that any changes to our neighborhood can raise questions and concerns, and we want to assure you that we have carefully considered implications of this project. The proposed covered RV parking will not only enhance the functionality of our property but will also complement the aesthetics of our neighbourhood.

We would greatly appreciate your support. By signing below, you indicate your approval of our request for the variance permit. Your support will demonstrate to the local governing body that this development is in the collective interest of our neighborhood.

If you have any questions or would like to discuss this in more detail, please feel free to reach out to us at [Redacted]. We are more than happy to listen to any concerns you may have.

Thank you for considering this request.

Sincerely,

Dave and Suzy Field

**Support for Developmental Variance Permit Application (VP100701)**
