

Make a difference in your community!

The City is seeking the expertise of residents interested in serving on the Prince George Public Library Board.

The Board meets monthly and is responsible for providing library services and programs in Prince George by establishing the policies, goals and objectives of the library and advocating for the library in the greater community.

The City is accepting applications to fill three volunteer positions on the Board with two-year terms beginning January 1, 2020 and ending December 31, 2021, and two interim volunteer positions on the Board to fill the remainder of the term ending December 31, 2020.

Involvement with council committees, commissions, and boards provides residents the opportunity to contribute to the growth and development of our municipality and to provide input on important civic issues.

All applicants to the Prince George Public Library Board are required to undergo a Criminal Records Check. Information on the Library Board, application forms and details on the application process and Criminal Record Checks are available on the City's website or may be picked up from the Legislative Services Department, 5th Floor City Hall.
