**Subject:** Additions to PS agenda

Please add these items for discussion on the August 19 meeting.

1. Write a letter to request the provincial and the federal governments change drug policies, including reevaluating safe supply. to address the continued opioid and drug use crisis.
2. Allow our community members to display their talents through designated busking opportunities downtown at minimal or no cost to attract the widest range of performers.
3. Implement the Broken Windows theory in C1 zone. For example: UNBC or CNC student contractors to cover graffiti on private buildings, implement vacant building maintenance regime, alley garbage policy.

Kind regards
