My name is Nancy Finn and I live directly across from subject property. I've lived here with my husband and family for 22 years. I have a-lot of concerns regarding the day care Daniela cook is trying to open. I know we are in need of daycare spaces in Prince George how ever this wouldn't be a safe or appropriate location for the following reasons.lack of side walks any where in this neighborhood/the winters in this neighborhood can be quite severe as a lot of people cannot come up our street and as the snow takes up 50 percent of our road/and I'm also concerned of drop off and pick up as my family and I are trying access exit our driveway while they are in the facility dropping the children off or picking up./my other concern is in Prince George there is a lack of affordable housing and if u change the character of affordable neighborhoods your taking away from young families. We plan on living in this neighborhood for another 20 years and hopefully it remain the same family neighborhood as its always been. Thank you for consideration in this matter.
