Subject: Letter of support for the 2026–2029 programming of the Cercle des Canadiens Français de Prince George (CCFPG)

To Whom It May Concern,

On behalf of the City of Prince George, I am pleased to confirm our support for the multi-year funding application submitted by the Cercle des Canadiens Français de Prince George (CCFPG) to Canadian Heritage.

Established for 65 years, the CCFPG plays an essential role in the vitality of our community as a key actor in the local Francophone community. Through its numerous cultural, educational, and community initiatives, it promotes social cohesion, linguistic inclusion, and the celebration of cultural diversity in our city.

Flagship events such as the FrancoFUN Winter Festival, the Corn Festival, the Saint-Jean-Baptiste Day celebrations, as well as the impact of the Welcoming Francophone Community (CFA) project, demonstrate their ability to mobilize, welcome, and bring together an increasingly diverse Francophone and Francophile population.

The City of Prince George recognizes the valuable contribution of the CCFPG to local community and cultural development. We firmly believe that their upcoming programming will continue to benefit the entire population and contribute to making Prince George an inclusive, dynamic, and open city.

For these reasons, we officially support this funding application and remain available for any future collaboration to support the services and activities of the CCFPG.

Sincerely,

Mayor Simon Yu
