I would like to request that council direct department managers to find redundancy within and cut 5% from their budgets. Financial pressures for families are pushing people to the brink of deciding to pay bills or buy groceries. I don't care what other cities are doing, taxes have year over year gone up over the past few years. Enough is Enough! I will be watching and decisions the made by this council will influence my vote in October.

**I acknowledge and agree that my submission, including my full name and address, will be published on the City's website as part of the Council meeting agenda. This information will be part of the official public record, and once published, it cannot be removed or edited. Additionally, my submission may appear in internet search engine results.**
