Dear Mayor Hall and Council,

Thank you for providing a final report and financial summary for the above noted project. We have reviewed your submission and all reporting requirements have been met.

The final report notes a total eligible expenditure of \$25,000.00. Based on this, a payment in the amount of \$ 25,000.00 will follow shortly by electronic funds transfer. This transfer represents full payment of the grant and is based on 100% of the total reported expenditure to a maximum of the approved grant of \$ 25,000.00.

I would like to congratulate the City of Prince George for undertaking this project and responding to the opportunity to develop EOC capacity to increase the resiliency of BC communities.
