I am writing in support of Liquor Licence Application No. LL100204 for The Bonnet Eatery in the City of Prince George.

I am a nearby resident and live just around the corner at 2697 Evasko Road. Because of my close proximity, I have had the opportunity to see firsthand how The Bonnet Eatery operates within the neighbourhood and the positive role it plays in our community.

In addition to being a resident, we operate a local short term accommodation at this address known as Fir Haven. As hosts, we regularly recommend The Bonnet Eatery to our guests as a place where they can relax, enjoy a good meal, and socialize in a welcoming and comfortable atmosphere. It is often suggested as a go to spot for visitors who want to experience a genuine local establishment that reflects

the friendly and community oriented nature of Prince George.

The Bonnet Eatery has become an important local social hub—a place where residents and visitors alike can gather, connect, and feel welcomed. It contributes to bringing people together, strengthening relationships between neighbours, and creating a sense of community that benefits both locals and those visiting our area.

From my experience, The Bonnet Eatery is well managed, community minded, and respectful of the surrounding neighbourhood. Its presence supports local vibrancy without negatively impacting nearby residents. Approving this liquor licence application will allow the establishment to continue offering a responsible and inclusive space that supports social connection and local economic activity.

I believe approval of this application will benefit both the business and the broader community by helping to maintain a valued gathering place that brings people closer together.

Thank you for considering my support.
