To whom it may concern,

My name is Bryan Garduno, I live behind Doug from Done Right Auto. I would like to say that Done Right Auto is an amazing business, and we are lucky to have a neighborhood mechanic as clean and friendly as Done Right Auto. Before we were customers, we did not even know there was a Mechanic Shop in behind our house. That shows how non intrusive they have been. We look forward to having Done Right Auto stay here in the community for years to come.

sincerely,

Dear Doug Timleck,

Thank you for allowing me to work in your workplace to gain experience as a mechanic. I learned a lot about how the different machines work, how to find out exactly what is wrong with a car and how to fix them, and how to be safe in a shop.

I particularly enjoyed meeting new people and learning more about what a mechanic does in the shop.

Thank you again for the opportunity to work in your shop. If you are ever in need of an employee, I am willing to fill that position.

Sincerely,

## **Support letter for Doug Timlec proprietor of Done Right Auto**

I was a Snapon franchisee in Prince George from February 2007 to March 2012.

I serviced Doug and his shop on a weekly basis plus numerous other shops in Prince George.

He has one of the most professionally run businesses that I have seen in Prince George. Doug has huge pride in his shop, it is equipped with all up to date equipment and enrolls in all courses to keep his knowledge of his equipment current. He treats his customers with extreme courtesy. Inside and outside his shop is very neat and clean. I still take my vehicles to Doug even though I know a lot of other shop owners.

It would be shame and huge injustice if Doug had close down his business just because it is in his back yard and not in some industrial park.

Thank you

Steve Keenan

Re: Done Right Auto

Done Right Auto has provided wonderful service and I use his facility often. He keeps exact records of the work he has performed on every vehicle and informs his customers of upcoming work that needs to be kept in mind.

His housekeeping on the business is always great and you can hardly tell it is there from the street. It is always clean and neat and the only indication is the occasional car parked in the driveway for pickup. His home and business is the neatest and best kept on the Street.

I highly recommend the Business as it is the only automotive shop on the Hart.

Re: Done Right Auto

I have lived in this neighbourhood for many years and have used and appreciate the Service there and highly recommend them. He is very good at what he does and keeps up with the latest technology. He is also the only automotive repair service on the Hart.

In particular this business is hardly noticeable from the street and is always clean and neat. In comparison his property is probably the best kept on the whole street.

I therefore would be very disappointed should this business be shut down. I give them my full support.

To Whom It May Concern:

It is my pleasure to provide a positive reference for Doug Timleck and Done Right Auto. I have known Doug for over 20 years and he has worked on many of my vehicles in this time. His shop is always spotless, professional, and courteous. I have always found Doug extremely reasonable to deal with and easy to get along with.

Please feel free to contact me at your convenience if you have any questions about Doug, Done Right Auto, and my experience with him and his business.

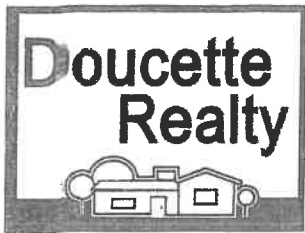

Thanks and have a great day!

To the city of Prince George, Hi my name is Harvey Bhatoa, I am a Real Estate agent working out of Doucette Realty Ltd. This letter is to you regarding the property located at 5532 Cook Crescent, without being biased I am referencing this request on behalf of the owner Doug Timleck who is currently running a well established business of vehicle repairs. Doug has been running the vehicle repair business for many years on the said property, environmentally there has never been a concern as the practices for a safe environment are followed with strict due diligence. Doug respects the neighborhood and the community and ensures that no one is affected with the noise or any other environmental issues, he is and has always been determined to keep his family, neighbors, clients and the community safe at all costs. We ask that he would be able to continue the small business and to serve the people that he has served with integrity for all these years. Since this business is not affecting our neighborhoods and the community we ask that at your discretion you would allow Doug's business be grandfathered in for the next couple of years ! This will be greatly appreciated ! Tks

Yours very truly,

Harvey Bhatoa.

To Whom it May Concern:

My name is Carrie Johnson and I have been completing the books for Done Right PG Auto since 2016. During this time, I have had a chance to become a client of theirs as we know if you have a vehicle it needs to be serviced. Doug has shown nothing but respect and comes with a great deal of knowledge to mechanics. The shop is always neat and tidy and a welcome to walk into. There is very little noise there, that when you are there to pick up your vehicle you can talk normally and not have to holler to get anyone's attention like other places I have been in the past. With myself dealing with Done Right over the past couple years is nothing in comparison to my husband who can remember being a teenager and having pleasant dealings with them way back then. Done Right PG Auto is a stand up company that I would have no issues referring to anyone. They have been great to my husband and I from day one. If you would like to discuss this further, please feel free to contact me.

*Letter of Acknowledgement, Respect & Appreciation*

To Whom It May Concern;

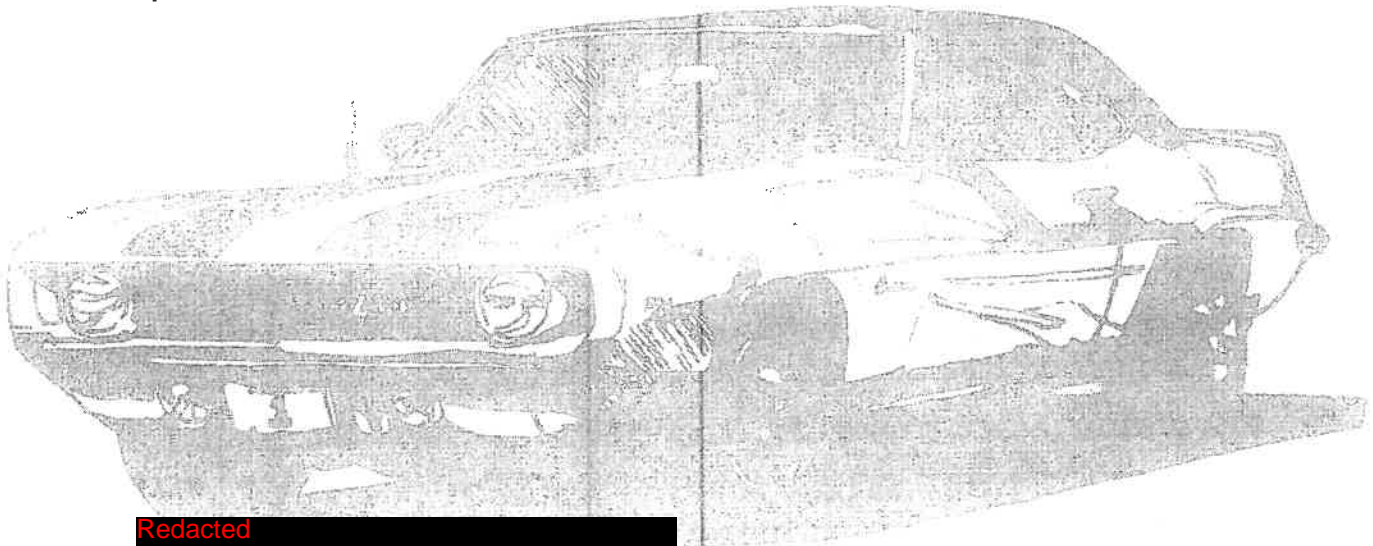

My name is Mike Minnie (M&J Cars Inc.) I have built and ran an engine machine shop service since 1986 in Prince George. Prior to those 8-10 yrs, I operated a shop in my back yard on Vance Rd. We maintained a very clean operation there but quickly outgrew our property.

Unlike Doug & Cindy's property where they had room to grow, maintain a great family life and service the surrounding community. The area they are in, are not affected by their very well run operation. They are clean and organized, conscious of everyone around them and very accommodating to all.

This very professionally run "Mom & Pop" operation has been around in that neighborhood for 25 plus years with minimum to no complaints. I've known Doug & Cindy and the family in a professional and personal manner for over 25 years. Anybody would be happy to have such great neighbors.

I would like to throw my hat into the ring and endorse Doug Timleck, his wife Cindy and their family for a professionally run and maintain home business. With only a few years remaining in both of their careers it would be a shame to upset something so close to its end.

Sincerely

To whom it may concern.

We have been taking our fleet vehicles to Doug at Done Right Auto since 2012. Doug is a good mechanic who has helped us out with many issues over the years.

The location of the shop is one of the reasons we use Done Right Auto as our mechanic. It is one of the most reasonably priced mechanical shops in the Hart Hwy area. The shop is clean and well kept and doesn't look like a used car park. It's fast and easy to get vehicles in, dealt with and done, and the job is always done right.

We are happy with the service from Done Right Auto and will continue doing business with Doug as long as he keeps up this quality of work.

We have been customers of Done Right Auto since 2005. Doug is a good mechanic who has helped us out with many issues over the years.

Done Right Auto is one of the most reasonably priced mechanical shops in the Hart Hwy area. The location of the shop is one of the reasons we use Done Right Auto. The shop is kept clean and doesn't look like a used car park.

Doug has been able to source specialty turf tires for our golf course equipment. He purchased special equipment to mount and balance those tires for us.

We are happy with the service from Done Right Auto and will continue doing business with Doug as long as he keeps up this quality of work.

City of Prince George:

Done Right Auto has been a good neighbor since we moved next door in 2007. Doug has been actively ensuring that he and his business are a positive influence on the neighborhood. There have been no concerns with noise or any other environmental events.

I completely support allowing Done Right Auto to continue operation. I do have concerns of a potential future, should zoning change to allow light industrial, other than Done Right Auto.

Sincerely,

Bruce Balson

To whom it may concern,

This letter is in regards to the operation of Done Right Auto.

We have lived at 5455 Cook Crescent since 2001 and have had no problems or concerns with the operation of the business. There have been no heavy traffic or parking problems on or around the business. It appears neat and clean on the lot and around the building whenever we have been there. There have been no loud shop noises outside of business hours and even then we have not heard any at our place of residence.

Several of our own personal vehicles have been serviced at this location, and we have no problems recommending it to others. We have absolutely no problems or complaints with this business in our neighbourhood.

Please feel free to contact us at our home number
