Dear Mayor Hall and Council,

Thank you for submitting a progress report and a request for progress payment for the above notes Community Resiliency Investment project. The CRI Working Group has reviewed and approved the request.

The report notes that, to date, work has been completed or advanced on approved Education, Emergency Planning, Cross Training and Fuel Management activities. Based on your request, payment in the amount of \$102,473.28, or about 45 per cent of the total approved grant, will follow shortly by electronic funds transfer.

Progress payments of up to 75 per cent of the approved grant are available with approved technical and financial reporting. The balance of eligible grant funding is available when the project has been completed and final reporting has been approved.

Sincerely,
