Dear Mayor and Council,

The Corporation of the Village of Alert Bay would also like to endorse your resolution regarding: **Sharing Payments from Opioid Class Action Lawsuit** for submission to the Union of BC Municipalities.

Your letter of March 24, 2020 was presented at our regular Council meeting of April 14, 2020 and was met with favourable approval.

Cormorant Island is very small island with a population of less than 1100 people, and we have a disproportionate number of individuals who have been affected by the Opioid Crisis. Along with that, the additional extra-ordinary costs associated with such a devastating and horrible product. It affects not only the person involved – but their families, friends and within the close-knit communities as well.

We wish for you and all Municipalities a positive response from the 2020 UBCM Convention.

Sincerely,

Mayor Dennis Buchanan,
Village of Alert Bay
