We do not want to see an increase of traffic with delivery drivers and patrons picking up their items, and the community will have an increase of traffic on Alward Street. Alward Street is a quiet residential street that has many seniors walking and we are concerned for their safety.

> There is a family owned business located at 5th and Gillette that sells pizza and we don't feel that another large franchise has to take away their business when the city should be supporting small businesses.
