Hello, my name is Trudy Latchman I live at 555 Alward Street [Redacted] I received a notice that someone was requesting to build a Domino Pizza in the vacant lot beside me. I seen it was denied and I'm very happy you did that as that would make it very dangerous for us seniors walking along or scooting along the street. With more traffic comes more danger to us seniors as well as more foot traffic. I hope if they try again you will deny it again. Thank you for reading this
