Pending Increase in Taxi Rates

This letter notifies local government that

Emerald Taxi Ltd

is asking the Passenger Transportation (PT) Board to implement a

2.3

%

increase in its taxi rates.

Our request is based on a decision of the PT Board to allow taxi companies to request a 2020 Taxi & Limousine Cost Index (TLCI) increase of up to 2.3% for taxis. The decision is based on Consumer Price Index (CPI) data for BC in 2019.

You are receiving this notice for information only. Local government comment or action is not required.

More information about taxi rates in BC and TLCI rate increases is on the PT Board website at:

o Taxi Rates: <https://www.ptboard.bc.ca/taxi-rates.htm>

o TLCI: <https://www.ptboard.bc.ca/tci.htm>

If you have questions about our request for a rate increase, contact our company representative using the contact information provided above.

Thank you.
