

Housing Needs Reports Program

2020 Program & Application Guide

1. Introduction

Since April 2019, local governments have been required to develop housing needs reports on a regular basis. The reports are intended to strengthen the ability of local governments to understand what kinds of housing are most needed in their communities, and help inform local plans, policies, and development decisions.

Housing Needs Reports Program

The Housing Needs Reports program supports local governments in undertaking housing needs reports in order to meet the provincial requirements. The Ministry of Municipal Affairs & Housing (MMAH) has provided \$5 million for this program. Prospective applicants should be advised that based on available funding, this will likely be the final intake of this funding program.

The program is structured to reflect the planning areas for which local governments are required to complete housing needs reports: municipalities, electoral areas, and local trust areas (within the Islands Trust). Funding is scaled based on the net population of each planning area.

Refer to Section 6 and Appendix 1 for eligible funding amounts.

2. Eligible Applicants

All local governments in BC (municipalities, regional districts, and the Islands Trust) are eligible to apply. Local Trust Committees must apply through the Islands Trust.

Each planning area (municipality, electoral area, and local trust area) can only be funded once over the full span of the program.

Funding permitting, the Islands Trust and regional districts can submit one application per intake to undertake separate housing needs reports for different trust areas/electoral areas, including regional applications and participation as a partnering applicant in a regional application.

Planning areas that were funded in the previous intakes are not eligible for subsequent intakes. Refer to Appendix 1 for eligible planning areas.

3. Eligible Projects

To qualify for funding, a project must:

- Be a new project or an update to an existing, eligible housing needs report. Retroactive funding is not available.

- Result in a housing needs report for at least one entire planning area: municipality, electoral area, or local trust area.
- Be capable of completion by the applicant within one year from the date of funding approval.

Regional Projects

Funding requests for a combination of planning areas (municipalities, electoral areas, and/or local trust areas) may be submitted as a single application for eligible, collaborative projects. In this case, the maximum funding available would be based on the number of eligible planning areas included in the application and the funding maximums for each as identified in Appendix 1. It is expected that regional projects will demonstrate cost-efficiencies in the total grant request.

The primary applicant submitting the application for a regional project is required to submit a Council, Board, or Local Trust Committee resolution as outlined in Section 7 of this guide. If the additional planning areas are outside of the primary applicant's jurisdiction, each partnering local government is required to submit a Council, Board, or Local Trust Committee resolution that clearly states their approval for the primary applicant to apply for, receive, and manage the funding on their behalf.

The total funding request for regional projects cannot exceed \$150,000.

4. Requirements for Funding

To qualify for funding, housing needs reports must:

- Meet the requirements of the *Local Government Act* (or *Vancouver Charter*) in relation to the development of a new or updated housing needs report;
- Result in a housing needs report for at least one entire planning area: municipality, electoral area, or local trust area;
- Be received by the local government Council, Board, or Local Trust Committee in a meeting open to the public. In the case of regional projects, the report must be received by the Council, Board, or Local Trust Committee responsible for each planning area that is included in the project; and
- Be published online for free public access.

5. Eligible & Ineligible Costs & Activities

Eligible Costs & Activities

Eligible costs are direct costs that are approved by the Evaluation Committee, properly and reasonably incurred, and paid by the applicant to carry out eligible activities. Eligible costs can only be incurred from the date of application submission until the final report is submitted (unless specified below).

Under the Housing Needs Reports program, eligible costs and activities must be cost-effective and include:

- Development of new or updated housing needs reports (as required by the *Local Government Act* and *Vancouver Charter*), including:

- Project management and coordination;
 - Data collection (from public agencies and/or other data sources), compilation and analysis, not including the collection and compilation of [data made available at no cost via the Ministry of Municipal Affairs & Housing](#) for the purpose of developing housing needs reports;
 - Research specific to the development of housing needs reports;
 - Community engagement, such as collaboration with neighbouring local governments and partner organizations, community surveys, and engagement activities.
- Publication of housing needs reports including editing, proofing, graphic design, etc.
 - Presentation of housing needs reports to Council, Board, or Local Trust Committee.

The following expenditures are also eligible, provided they relate directly to the eligible activities identified above:

- Consultant costs;
- Incremental staff and administration costs;
- Public information costs;
- Training and capacity building for local government staff specific to developing housing needs reports.

Ineligible Costs & Activities

Any activity that is not outlined above or is not directly connected to activities approved in the application by the Evaluation Committee is not eligible for funding. This includes:

- Collection of data similar to that made available at no cost [via the Ministry of Municipal Affairs & Housing](#) for the purpose of housing needs reports;
- Routine or ongoing operating and/or planning costs or activities (e.g. tracking and reporting of development and building permits);
- Capital costs (including computer hardware);
- Purchase of software, software licences, service subscriptions, or membership fees;
- Preparation of maps and spatial data.

6. Grant Maximum

Funding maximums are based on the population of the planning area (using the 2016 Census data).

The Program can contribute a maximum of 100% of the cost of eligible activities – to a maximum of the amounts identified in Table 1. For certainty, Appendix 1 outlines the net population and eligible funding for each planning area (municipality, electoral area, and local trust area) in BC.

Table 1: Funding Maximums

Population	Funding Maximum
Under 5,000	\$15,000
5,000 to 14,999	\$20,000
15,000 to 49,999	\$30,000
50,000 to 99,999	\$50,000
100,000 or greater	\$70,000

As noted in Section 3, the funding maximum for all regional projects is \$150,000.

In order to ensure transparency and accountability in the expenditure of public funds, all other contributions for eligible portions of the project must be declared and, depending on the total value, may decrease the value of the funding.

7. Application Requirements & Process

Application Deadline

Applicants will be advised of the status of their application within 60 days of the application deadline. Due to the COVID-19 pandemic, the Spring 2020 intake was postponed. The new application deadline is October 16, 2020.

Prospective applicants should be advised that based on available funding, this will likely be the final intake of this funding program.

Required Application Contents

- Completed Application Form;
- Detailed project budget;
- Council, Board, or Local Trust Committee resolution, indicating support for the current proposed activities and willingness to provide overall grant management;
- *For regional projects only:* Each partnering local government must submit a Council, Board, or Local Trust Committee resolution indicating support for the primary applicant to apply for, receive, and manage the grant funding on their behalf;

Resolutions from partnering applicants must include the language above.
--

- Optional: Up to five letters of support as evidence of partnership or collaboration with community organizations and/or other local stakeholders.

Submission of Applications

Applications should be submitted as Word or PDF files. If you choose to submit your application by e-mail, hard copies do not need to follow.

All applications should be submitted to:

Local Government Program Services, Union of BC Municipalities

E-mail: lqps@ubcm.ca

Mail: 525 Government Street, Victoria, BC, V8V 0A8

Review of Applications

UBCM will perform a preliminary review of applications to ensure the required application contents have been submitted and to ensure that eligibility criteria have been met. Only complete application packages will be reviewed.

Following this, all eligible applications will be reviewed and scored by the Evaluation Committee. Higher application review scores will be given to projects that:

- Are for planning areas that are required under the *Local Government Statutes (Housing Needs Reports) Amendment Act* to complete a housing needs report;
- Are from communities that do not currently have a housing needs report, or have a report that is more than five (5) years old;
- Demonstrate community consultation and public engagement, including:
 - Neighbouring local governments
 - First Nations and local Indigenous organizations
 - Non-profit service providers, health authorities, and/or post-secondary institutions
 - Non-profit and for-profit development sector
 - Vulnerable populations (e.g. individuals experiencing homelessness, those at risk of experiencing homelessness, youth, seniors, new immigrants or refugees, etc.)
- Include strategies for training and capacity building for local government staff to undertake housing needs reports and subsequent updates;
- Are cost-effective;
- Include in-kind or cash contributions to the project from the eligible applicant, regional partners, or other grant funding.

Point values and weighting have been established within each of these scoring criteria. Only those applications that meet a minimum threshold point value will be considered for funding.

The Evaluation Committee will consider the population and provincial, regional, and urban/rural distribution of proposed projects. Funding decisions will be made on a provincial priority basis.

8. Grant Management & Applicant Responsibilities

The applicant is responsible for completion of the project as approved and for meeting reporting requirements.

Applicants are also responsible for proper fiscal management, including maintaining acceptable accounting records for the project. UBCM reserves the right to audit these records.

Notice of Funding Decision

All applicants will receive written notice of funding decisions. Approved applicants will receive an Approval Agreement, which will include the terms and conditions of any grant that is awarded, and that is required to be signed and returned to UBCM.

Grants under the Housing Needs Report program will be awarded in two payments: 50% at the approval of the project and when the signed Approval Agreement has been returned to UBCM and 50% when the project is complete and the final reporting requirements have been met.

Please note that in cases where revisions are required to an application, or an application has been approved in principle only, the applicant has 30 days from the date of the written notice of the status of the application to complete the application requirements. Applications that are not completed within 30 days may be closed.

Progress Payments

In exceptional circumstances, to request a progress payment, approved applicants are required to submit:

- Written rationale for receiving a progress payment;
- Description of activities completed to date; and
- Description of funds expended to date.

Changes to Approved Projects

Approved funds are specific to the project as identified in the application, and not transferable to other projects. Approval from the Evaluation Committee will be required for any significant variation from the approved project.

To propose changes to an approved project, approved applicants are required to submit:

- Revised application package, including updated, signed application form, revised budget, and updated Council, Board, or Local Trust Committee resolution(s); and
- Written rationale for proposed changes to activities and/or expenditures.

The revised application package will then be reviewed by the Evaluation Committee.

Applicants are responsible for any costs above the approved funds unless a revised application is submitted and approved prior to work being undertaken.

Extensions to Project End Date

All approved activities are required to be completed within one year of approval and all extensions beyond this date must be requested in writing and be approved by UBCM. Extensions will not exceed one year.

9. Final Report Requirements & Process

Applicants are required to submit an electronic copy of the complete final report, including the following:

- Completed Final Report Form;
- Financial summary;
- Completed Housing Needs Report(s).

Submission of Final Reports

All final reports should be submitted to:

Local Government Program Services, Union of BC Municipalities

E-mail: lqps@ubcm.ca

Mail: 525 Government Street, Victoria, BC, V8V 0A8

All final reports will be shared with the Province of BC

10. Additional Information

For enquiries about the application process or program, please contact:

Union of BC Municipalities

Email: lgps@ubcm.ca
Phone: (250) 952-9177

For more on the Housing Needs Reports requirements, supporting data, and guidance, please visit the Ministry of Municipal Affairs & Housing [website](#).

Appendix 1: Funding Maximums by Planning Areas

As outlined in Section 6, funding maximums are based on net population of the planning area (using the 2016 Census data).

The following tables outline the net population and eligible funding for each municipality, electoral area, and Local Trust Area in BC, and is organized by Regional District and Islands Trust.

Please note that, where applicable, the populations of Local Trust Areas have been removed from the electoral area in which the island(s) are located. In these cases, funding maximums for the electoral areas are based on net populations.

Alberni-Clayoquot Regional District

Planning Area	Net Population	Funding Maximum
Alberni-Clayoquot A	243	Funded
Alberni-Clayoquot B	443	Funded
Alberni-Clayoquot C	677	Funded
Alberni-Clayoquot D	1,616	Funded
