

NEW BUSINESS LICENSE BYLAW No. 9040

The City of Prince George is updating the Business License Bylaw!

What is the Business License Bylaw?

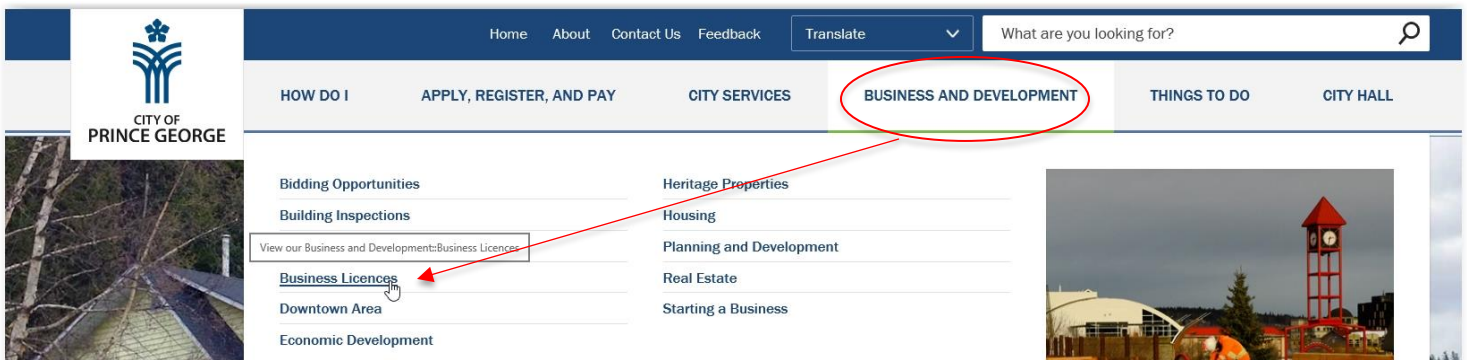

The Business License Bylaw provides regulation and licensing requirements for businesses within the City of Prince George (e.g. license category and fee).

Why are we replacing this Bylaw?

The current Business License Bylaw was adopted by Council in 2007 (12 years ago). The new Bylaw will reflect emerging trends in licensing categories, simplify regulations, and will include fees for each category.

How do I get more information?
