I strongly object to reducing the minimum distance from 5.2 metres to 2.1.

The property involved is adjacent to my home (**Red** 2911 Ferry Ave) in Asher PLace SENIOR COMPLEX.
t

If you allow this reduction it will have a detrimental effect on the health of all of us residents.

I am sure the current requirement of 5.2metres was established with the health of people in mind. The BC TENANCY ACT only allows smoking at 6 metres from doors and windows.

Therefore I request that the current space of 5.2 metres stand. This will limit the amount of exhaust pollution

from the proposed parking lot. Thank you for your consideration

Lyla Mahon.
