City of Prince George Mayor and Council
1100 Patricia Boulevard
Prince George, BC V2L 3V9

Dear Mayor and Council:

I am writing as a member of Trinity United Church in Prince George, in support of the rezoning application by the Phoenix Transition Society to enable the construction of the Harmony House Project at 606 Zelkwas Avenue.

This project is well suited to the presently vacant lots that adjoin our main church property.

There is a strong need for families making use of this project to be within walking distance of parks and shopping. There is a high need for services and housing of the type offered by Harmony House.

Please approve this worthy zoning amendment.

Sincerely,

Roberta Long
