

Mayor and Council

I have a major concern about the height of this building!

What about our privacy?

We will feel like we are in a fish bowl!

Having these people looking down into our home watching our every move. Keep those curtains closed.

These people will know our coming and goings .

When we go to work, school shopping etc.

Would you like it if someone watched your every move.

We will feel like we are in jail!

How are we going to enjoy our front yards with people looking down at us.

How would you feel if BC Housing decided to put a monster housing complex across the street from your homes?

And!!! Who would buy my house with this monster building going in across the street!

I believe there are more suitable places for this building.

Thank you Barbara Tessier
