

I live on zelkwas and don't think it's a good idea to put a 3 story bilding for women abuse victims and drug addicts. where are they going to park because there are no sidewalks and no room on the roads if there are cars on both sides of the road. there is a preschool and not to far their is a school and the needle I will find what are you going to do about them and I don't like the fact that they can see me and I can't see them and I have a lot of stuff and I don't know if they are going to break in my house in the middle of the night or if I'm not there and who wants to replace my stuff because I know you won't. Thanks. O
