Dear Mayor Hall and City Council,

I am writing in support of the new Harmony House to be built on property that Trinity United Church has donated.

Harmony House is a very important place in our community which serves to protect the mother child bond. Working with mothers who have had tremendous obstacles to endure and want to be able to care for their children. This is a home that helps both the mother and child in forming attachment in a safe space. I really hope this project can go ahead as it is very much needed in Prince George. Prince George is a community in which we are all proud to live in and we help one another when in need. Please take this into consideration and help us support women and children in need.

Thank you for your time,

Maura O'Malley
