To whom it may concern March 12/21

We think a daycare is a wonderful idea for our little strip mall.

It's accessible to people in our community and convenient with the parking also available.

Seeing we will be very close neighbours, we will enjoy listening to the noise of our future generation's

Yours truly

FYI
P.S. As we only recieved the information about the Bylaw ammendment March 12th, if this letter was mailed March 12th - it would have to travel via Vancouver (on Fridays) so would not be guaranteed to arrive by your March 16th submission date.
