Hello everyone,

In my opinion as a nearby home owner, this should be deferred until the property is re-surveyed accurately and properly by a professional. 0.45 meters is not accurate, it appears much smaller. Until this is done, no decision should be made.

At the end of the day, the "small" section of 2728 Moyie Street should be scaled back. It poses a fire risk.

Thank you,  
Corina Voll
