**Attention: Mayor and Council**

Dear Mayor and Council:

**Subject: BC Hydro and Power Authority – 2020 Street Lighting Rate**

On behalf of Council, I wish to advise that at a Regular Council Meeting of April 6, 2021 the Village of Harrison Hot Springs Council unanimously passed a motion to support the City of Prince George's opposition to BC Hydro's proposed surcharge to recover the costs of conversion of High Pressure Sodium light fixtures to LED light fixtures.

We share your objection to the downloading of these conversion costs to municipalities given that we continue to pay a user fee for this infrastructure.

Yours truly,
