### **OFFICIAL COMMUNITY PLAN BYLAW NO. 8383, 2011 AMENDMENT BYLAW NO. 9178, 2021**

Subject Property – 3751 Barnes Drive and 3777 Barnes Drive

The City of Prince George is considering the following amendments to the City of Prince George Official Community Plan (OCP) Bylaw No. 8383, 2011:

- Amend Schedule B-6: Future Land Use to redesignate a portion of the subject property from Rural Resource to Neighbourhood Residential; and
- Amend Schedule B-4: Growth Management to redesignate a portion of the subject property from Rural Resource to Infill.

The property owner would like to adjust the interior lot line that divides 3751 Barnes Drive and 3777 Barnes Drive by establishing the interior lot line in an east to west orientation, rather than north to south orientation. This application to amend the OCP also includes a rezoning application under Bylaw No. 9179, 2021.
